

AN INITIATIVE of SUPPORT

You can save these smile

India Fight Corona

Rs.1100 is all it takes.

Donate at- <http://www.supportjharkhand.org/donate>

Dear Friends,

Corona Pandemic has badly hit life and livelihood of daily wagers. We work closely with economically under privileged communities in Jharkhand. As a urgent response to current situation, SUPPORT (an NGO based at Hazaribag, Jharkhand) is working on a Cash Support program to needy families.

We are starting this program from Hazaribag, Ramgarh and Bokaro districts of Jharkhand. Our team here works closely with community members and women Self Help Groups. We are getting regular distress call and trying to address in best possible manner. As of now, a direct Cash & Kind support can help them manage immediate requirements. As banks and other payment systems remain elusive, our ground team plans to deliver a small amount of cash (or kind) support raised through this charity effort.

I request your kind contribution to make this initiative worthwhile. As we start this journey, we see possibility of offering such service in other areas of Jharkhand as we build up a strong delivery network. We ensure that Every Supporter gets contact details of the family (s)he is supporting. Not to mention, all donations you make is covered by tax benefit as per law.

You may transfer a minimum amount of Rs.1100.00 that helps us to support one family for a month. Contributions can be sent to bank account mentioned below. Or, you can make an online transfer by visiting the 'Donate Now' link at supportjharkhand.org. Looking forward to your generous support please.

Yours Truly,

B.S. Gupta,
Secretary, SUPPORT
